# ORACLE SERIES

Ultimate high-end reference cables

## — MA Rev 1

The Oracle MA returns as the Rev. 1 with updated networks boasting more pole of articulation. The Rev. 1 produces full timbre with natural and rich textures that remain thick and dense, ensuring voices and instruments do not lose their natural harmonics.

SKU	TYPE	CONNECTORS	LENGTH	POLES	MSRP
ORAMA.1-1.5	Line Level	RCA	1.5m	95	\$13,709.00

## — MA Rev 2 Digital Interconnect

Based on technology from the Oracle MA-X Digital interface, the Oracle MA Rev.2 Digital interfaces include our unique and patented network technology, similar to the MA-X digital designs. This technology works to eliminate undesirable reflections, RFI and other "false signals" to deliver a jitter-free signal.

Classic MIT performance cables

## — 2C3D Level-1 Interconnects

2C3D Level 1 Interconnects: Best of Class. Also based on original Oracle MA circuits and miniaturized by using "through hole" printed circuit boards with smaller parts. Features SHD, HD and 2C3D technology to match the Level 1 Speaker cables.

SKU	TYPE	CONNECTORS	LENGTH	POLES	MSRP
2C3DMI1RCA-1.5	Line Level	RCA	1.5m	80	\$10,539.00
2C3DMI1RCA-1	Line Level	RCA	1m	80	\$10,239.00
